

Penalty on breach

It is an offence to engage in any activity that you are prohibited from doing by this Order.

Depending on the behaviour in question, the enforcing officer could decide that a fixed penalty notice (FPN) of up to £100 would be the most appropriate sanction. The FPN may be issued by a police officer, PCSO, council officer or other person designated by the council. Should a Fixed Penalty Notice not be issued, West Midlands Police and Birmingham City Council may consider that further interventions are necessary to address the alleged behaviour.

Right to Appeal

In accordance of Section 66 of the Act, any interested person who wishes to challenge the validity of this Order may appeal to the High Court within six weeks from the date upon which this Order is made.
